STATE LIBRARY

Special Notice,

◇ TO CONSUMERS OF FLOUR. ◇

It is a good rule to refuse all imitations of a good thing. Notwithstanding our repeated warnings, there are yet several merchants who persist in offering a grade of flour marked "B" usually sold by Drummers to dealers, who are not receivers from the manufacturers, and purporting to be "the same thing" or "just as good as" the "B" flour we offer and recommend to the public.

We adopted this name for the flour we sell some ten years ago, and the flour has given such good satisfaction that it is no wonder that some unscrupulous dealers have adopted and continue to use the same letter (B) as we have done all these years, probably the better to palm off an inferior quality of flour, which is not only to the detriment of our goods, but is a down-right imposition on people who think they are buying one thing, and at the same time are being deceived by having something of a poorer quality thrust upon them.

We have been compelled in order to maintain our reputation on this particular article, and to protect our customers from being imposed upon in such an underhanded manner, to place our name, with a stamp, upon the HEAD and SIDE of every barrel, and if you see any "B" flour masquerading around the country and cannot find our name stamped as above, shun it and pass by on the other side.

We are the sole shippers of this flour for this part of the state. No one can buy it except through our hands, and if any one tells you to the contrary you will have good grounds to disbelieve him or them.

Look for that stamp on the head

and side of every barrel,

and you will not be imposed upon any more. You can obtain this "B" flour at a reasonable price of

F. S. GORDON, Enfield Centre,

JOHN FERNALD, Canaan,

G. W. DUNBAR, Grantham,

SMITH & DOROTHY, Enfield,

and go away feeling that you have not been swindled into buying something you did not intend to.
